SPC FLOORS

SPC flooring brings together durability and elegance in every detail. Its sleek **finish and natural texture create a beautiful foundation for any space**, offering both style and strength that lasts for years.

LVT FLOORS

LVT floors are durable, stylish, and water-resistant vinyl flooring ideal for any space.

Floor Tiles

Floor tiles enhance any space with durable, stylish surfaces that are easy to clean and maintain.

Their variety of colors, textures, and patterns allows endless creative design possibilities.

Carpet

Carpet adds warmth and comfort with **soft, cushioned flooring that reduces noise.**

Available in many colors and textures, it enhances interiors with cozy, inviting style.

Carpet Tiles

Carpet tiles offer flexible, modular flooring that's easy to install and replace when needed.

They bring comfort, style, and practical **design to offices, homes, and commercial spaces.**

Aluminium and Curtain Wall

Aluminium and curtain wall systems create sleek, modern façades with strong structural support.

They allow expansive glass designs, improving natural light while ensuring durability and weather resistance.

Cladding Glass

Cladding glass refers to a protective or decorative glass layer used on the exterior or interior surfaces of buildings. It serves to enhance appearance, provide insulation, and protect the structure from environmental elements such as wind, rain, and temperature changes.

Skylights Frameless Glass Doors

Skylights are windows installed in roofs or ceilings that allow natural sunlight to enter interior spaces, improving brightness and ventilation.

Glass Steps

Glass steps are stair treads made from toughened or laminated glass, designed to provide a modern, transparent, and elegant look while maintaining strength and safety.

Pergolas

A pergola is an outdoor structure consisting of columns or posts supporting a roof of beams and rafters, often left open or covered with materials like fabric, wood, or glass.

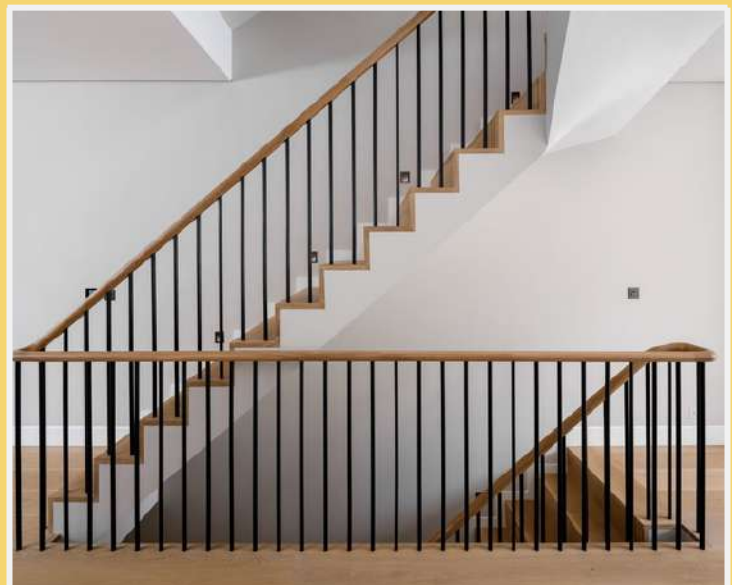

car porch

A pergola car porch is a stylish covered structure designed to shelter vehicles, combining the open framework of a pergola with the functionality of a car porch. It provides shade and protection from sunlight and rain while enhancing the aesthetic appeal of the exterior space.

Handrails

Handrails are supportive rails installed along stairs, ramps, or balconies to provide safety, stability, and balance for people while walking or climbing. They can be made of metal, glass, wood, or stainless steel and are both functional and decorative.

SLIDING GATES

A gate that opens and closes by sliding horizontally along a track, saving space and offering smooth, easy operation.

Fit Out Expertise

Civil work

Construction tasks involving buildings, or infrastructure.

Demolition

The controlled process of destroying or dismantling buildings, structures, or parts to clear space for new construction or safety purposes.

Electrical and Plumbing Installation

Electrical and Plumbing Installation refers to the process of fitting electrical systems (**wiring, lighting, outlets**) and plumbing systems (**pipes, taps, drains**) in a building to ensure it functions safely and efficiently.

Customized Furniture

Cupboard

Wall Moldings

Mesh Chain Designs and Custom Creations

Curtain

Curtains add softness and style to any room while providing privacy and light control.

Available in various fabrics and designs, they enhance décor and create a warm, inviting atmosphere.

Blinds

Blinds offer precise control over light and privacy with adjustable slats. Sleek and modern, they complement any interior while maximizing functionality.

LANDSCAPING

We create beautiful outdoor spaces that blend nature with design. From gardens and pathways to greenery and lighting, our landscaping adds value, comfort, and charm to your surroundings.

We Will Design The **POOL**

We design beautiful and functional swimming pools tailored to your space and lifestyle. From concept to completion, our team ensures premium quality, modern style, and a relaxing experience in every design.

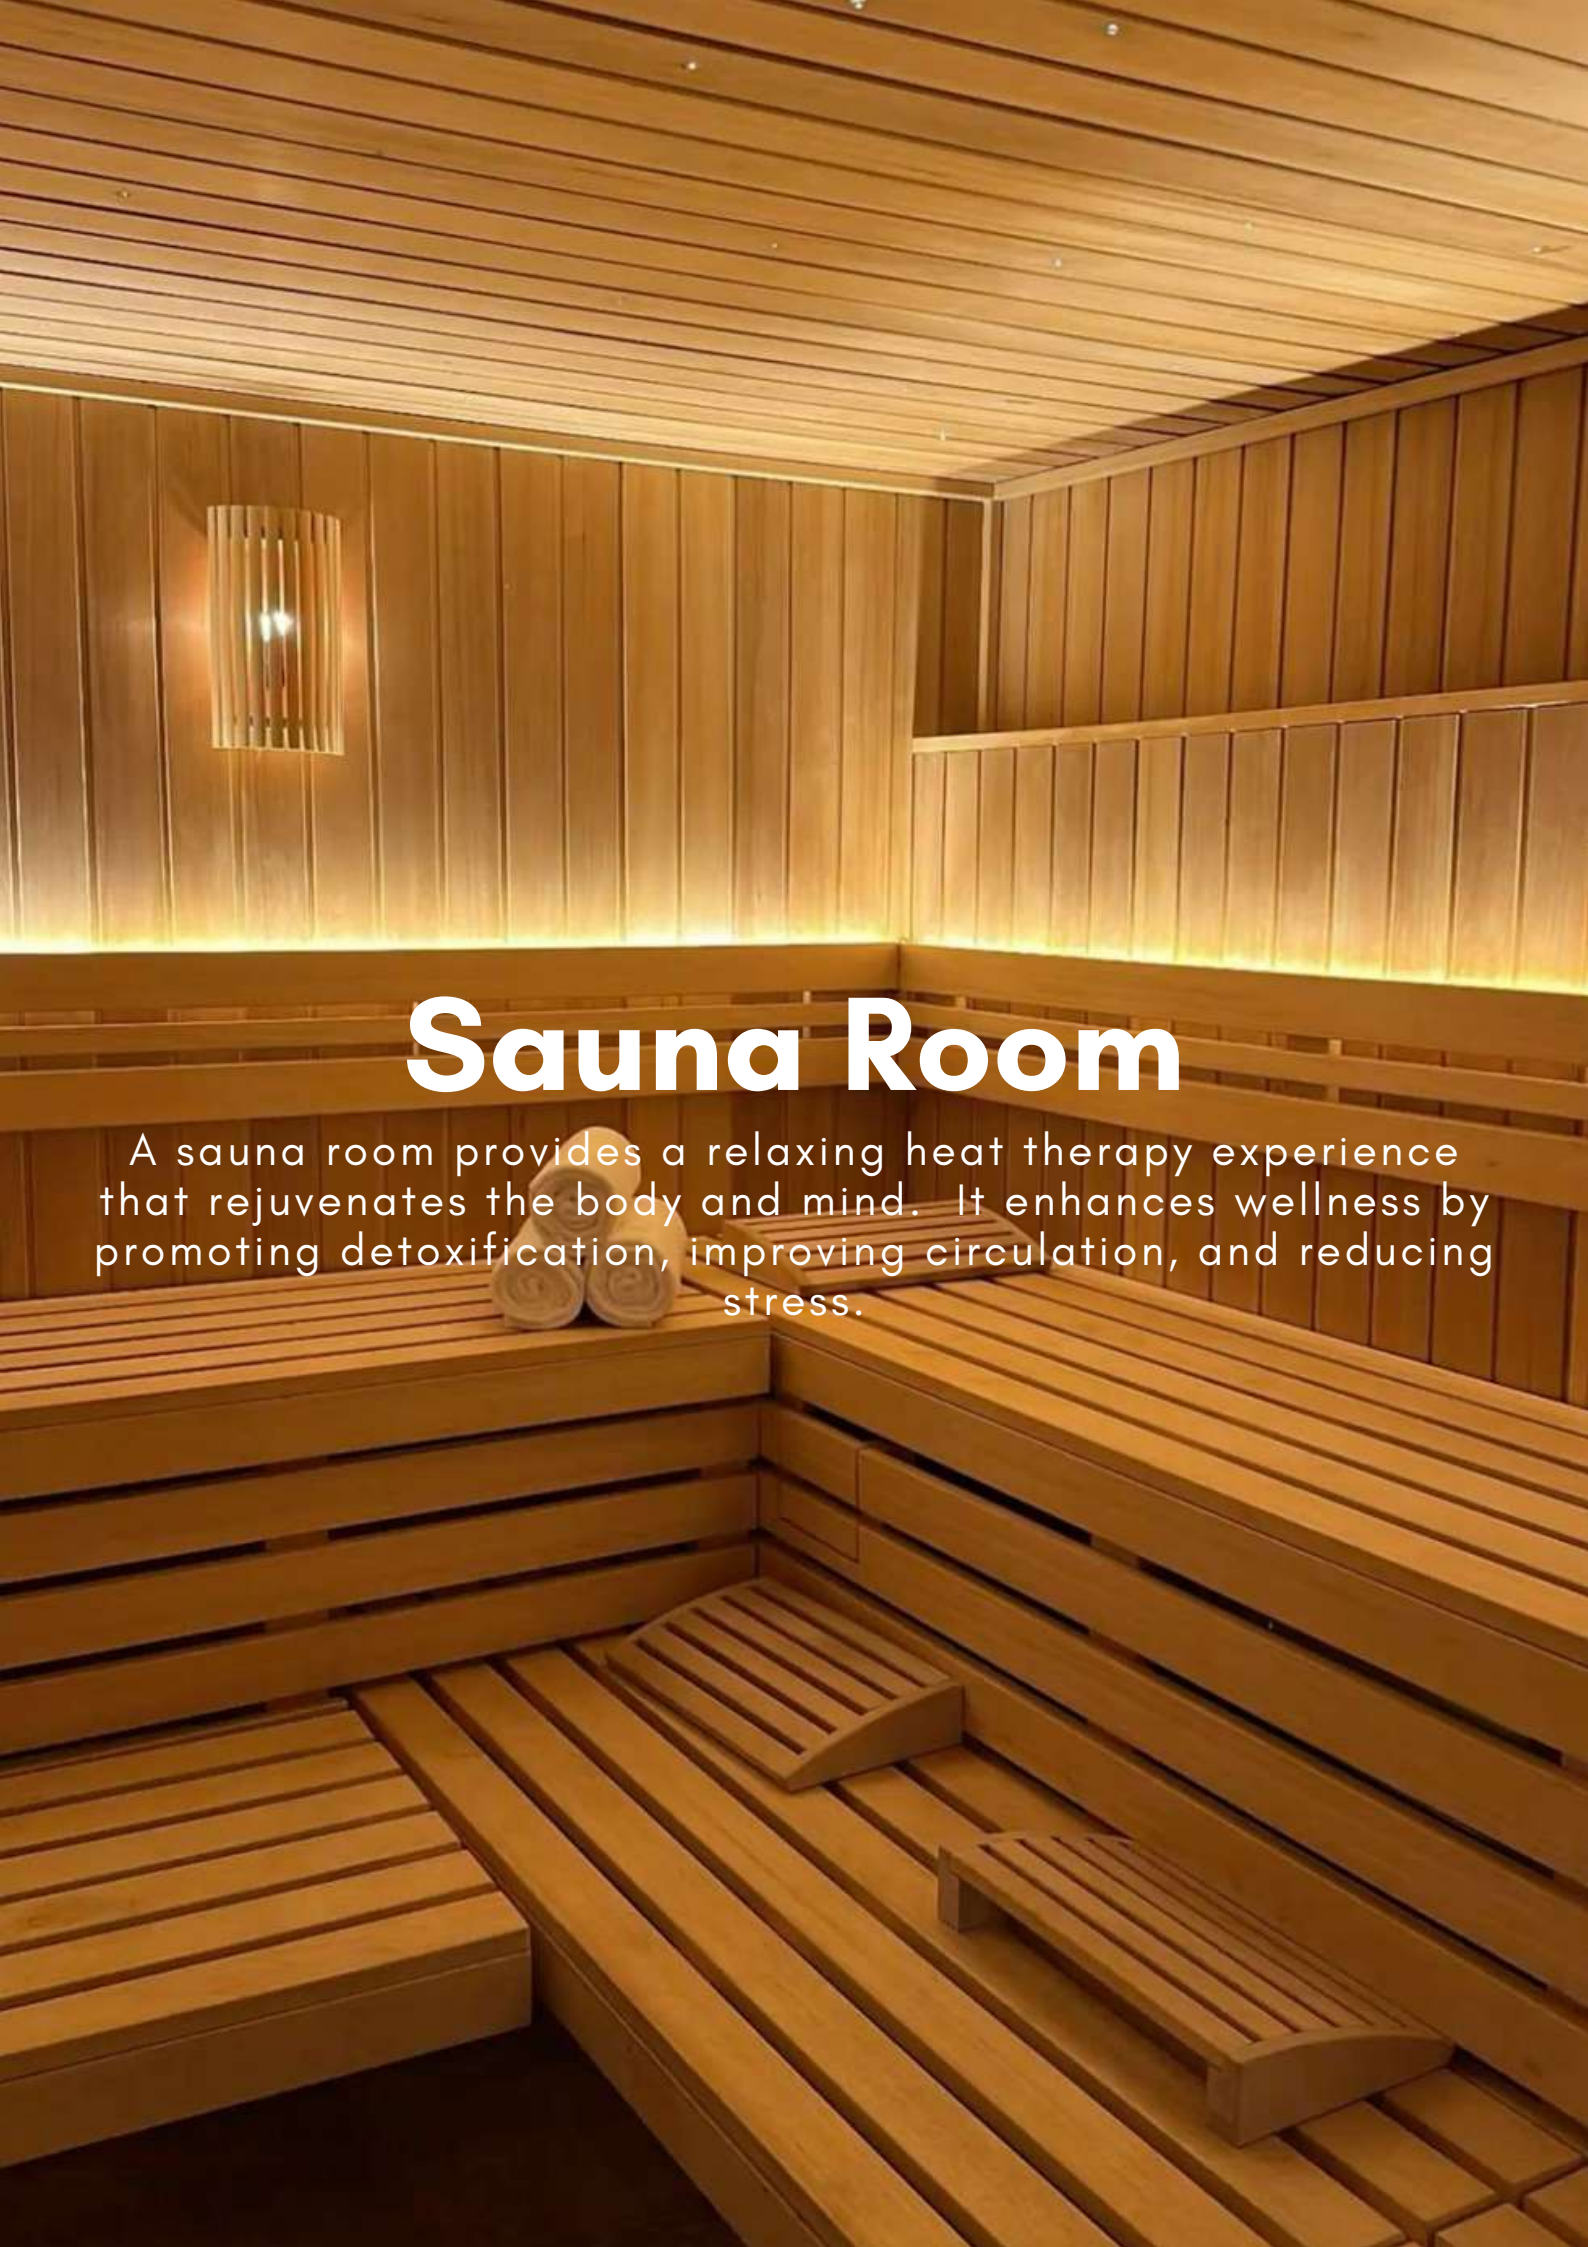

Home cinema

Cinematic Experience at Home

Home theater creates a cinematic experience at home with high-quality sound, immersive visuals, and comfortable seating for ultimate entertainment.

A photograph of a wooden sauna room. The walls, ceiling, and tiered benches are made of light-colored wood. A cylindrical light fixture is mounted on the wall. Three rolled-up towels are placed on one of the benches. The text "Sauna Room" is overlaid in the center, with a descriptive paragraph below it.

Sauna Room

A sauna room provides a relaxing heat therapy experience that rejuvenates the body and mind. It enhances wellness by promoting detoxification, improving circulation, and reducing stress.
